Dear Colleagues,

The University of Southern Mississippi cordially invites you to the 9th Annual Hub City Swing to be held December 1-3. You will find all of the pertinent information in this invitation. Questions should be directed to both Paul Strait (l.strait@usm.edu) and tab director Abbey Barnes (abarne82@utk.edu).

All entries should be submitted via the tabroom website at hubcityswing.tabroom.com no later than Tuesday, November 28 by 5 pm central. Changes will be accepted until Thu., November 30, 2023 at 12:00 p.m. CST. For any changes after the deadline, please send changes to both Paul Strait (l.strait@usm.edu) and Abbey Barnes (abarne82@utk.edu).

We look forward to seeing you for a weekend of fun and forensic competition!

L. Paul Strait, DOF

Event Information

1. We will offer all eleven AFA events, along with editorial impromptu, radio broadcasting, and podcasting; novice, JV, varsity, professional, and team IPDA.

A. All TIPDA rounds shall follow the time limits and rules established by the International Public Debate Association. Students will have thirty minutes of preparation time (includes walking time to rounds). We will offer an Open division only. TIPDA will take place during individual events (*on Saturday and Sunday, students must choose between IEs and TIPDA*). We will offer six preliminary rounds and the appropriate number of elimination rounds.

B. All IPDA rounds shall follow the time limits and rules established by the International Public Debate Association. Students will have thirty minutes of preparation time (which includes walking time to rounds). We will offer professional, varsity, JV, and novice divisions. We will offer six preliminary rounds and the appropriate number of elimination rounds.

C. Debate Judges should attend a Judges Training session as suggested by the IPDA constitution.

D. All individual events (except editorial impromptu, podcasting, and radio broadcasting; see below) shall follow the rules established and followed by the American Forensics Association.

E. Access to the internet will be allowed during extemporaneous speaking and radio broadcasting preparation time. Students may not communicate with coaches, teammates, etc., but may use the internet for research.

F. For the first round of Impromptu on both Saturday and Sunday, non-traditional prompts will be used. These prompts will be modeled after options used at the NFA National Championship Tournament.

G. In **Editorial Impromptu**, students will be given a 1 page op-ed article, and will have 9 minutes to read the article, prepare a response, and deliver it. Students must speak for at least 5 minutes. The speech should involve the development of an argument in response to the thesis developed or the opinion shared in the article. In agreeing or disagreeing with the position or thesis of the article, students should introduce new information and reasoning.

H. For **Podcasting**, students asynchronously upload a single podcast episode they create with trailer, interview with an outside source, and commentary. 10 mins. Can be done as a duo or single entry.

I. For **Radio Broadcasting**, contestants will be given a packet of source materials and will have 30 minutes to select, organize, and present a simulated radio broadcast. The source material packets will include international, national, state, and local news. All informational material used in the broadcast must be provided by the tournament with the exception of any hypothetical station call letters, time, and current weather conditions or forecast (but students can choose what information they want to present and be creative with advertisements, presentational style, etc.). Students will present their broadcasts seated at a table with the judge facing away from the contestants during the speech. Students may time themselves as no time signals will be given by the judge. Students may organize their material and notes however they choose (and may use scissors, highlighters, tape, or whatever other tools may help them stay organized). Maximum time limit for the speech is 5 minutes. Posting of source materials will be staggered.

J. Flighting for IEs will be as follows:

Flight A: CA, Duo, EI, Ext, Per, POE, Prose

Flight B: ADS, POI, DI, Imp, Info, RB

Important Notes

1. For the purposes of elimination round seeding and speaker points in debate events, adjusted speaker points (total points minus high/low) will be considered. Total points will be used to break a tie. If another tie still exist, then it will be broken on double adjusted speaker points, then strength of play, then coin flip.
2. Schools shall not be limited in entries per event, but only the top three entries in each individual event/debate division will count for sweepstakes awards.
3. Awards shall be presented to the elimination round participants in all debate events, the **top six speakers** in every division of debate, the **top six** competitors in every individual event, the **top novice competitor** in every individual event, the **top five** quadrathon competitors, and the **top five Golden Eagle** award competitors (must compete in at least one debate event and at least one IE event to be eligible). The top **three** schools in IPDA, the top **three** schools in TIPDA, the top **three schools** in Individual Events for Swing 1, the **top three** schools in Individual Events Swing 2, and the top **Five** schools Overall (must compete all three days to be eligible) will receive sweepstakes awards. No minimum number of

entries is required for schools to count toward debate or individual events sweepstakes awards.

4. Judges: We need and want your judges. We prefer judges over money. One judge covers four IPDA debaters, two TIPDA teams, or six IE entries per flight. Judges may cover multiple events if the events **do not conflict**. For example: one judge could cover four IPDA debaters and six IE entries per pattern, as those events do not occur at the same time, but that same judge could not cover two TIPDA teams and six IE entries on the same day.

5. ****Tabroom**** We are not Luddites, and will therefore not be using paper ballots at this tournament. **All judges need a linked tabroom account.** Moreover, all IPDA competitors need to have tabroom accounts, and a list of the email addresses associated with their accounts is due by registration. This will make it possible for us to use competitors to judge elimination rounds. **All judges need to have some way to access the internet in order to fill out ballots.** Phones will work, but something with an actual keyboard will be more efficient.

Sweepstakes Formula

I.E.s

1. Individual events will be scored as follows: 6 points for 1st place, 5 points for 2nd place, 4 points for 3rd place, 3 points for 4th place, 2 points for 5th place, and 1 point for 6th place

Debate

1. Schools shall not be limited in entries per event, however only the top 3 entries in each event / division will count for sweepstakes awards (except for TIPDA which counts top 4 entries).

2. 5 points for each preliminary round win/bye, 6 points for breaking to elimination rounds (These are halved for individual debate.)

Quadrathon

To be eligible for Quadrathon, students must compete in a minimum of four individual events, including events from at least two of the three categories of individual events: limited preparation (extemp, impromptu, editorial impromptu, radio broadcasting), public address (ADS, persuasive, informative, CA), and

interpretation (DI, POI, prose, poetry, duo). Points to determine Quadrathon placing will be according to the individual events sweepstakes formula outlined above.
