SCHEDULE NOTES

- The 15-minute forfeit rule will apply if a debater fails to appear at their designated virtual debate room.
- Updates to the schedule will be posted on Speechwire if they occur. Please be vigilant!

ENTRY RULES

- All entries are due by Tuesday, September 19th at 5pm EDT via Speechwire.
- All debaters must be undergraduate students enrolled at their respective institutions.
- **All teams are expected to cover at least 50% of their entries by entering an adequate number of judges to the tournament.**
- It is up to your discretion to place and enter students in their proper division in IPDA debate (i.e. novice or varsity).
- Absolutely no individual can cross-enter in both IPDA and NPDA debate.
- Absolutely no individual can debate without a partner in NPDA debate.
- You are encouraged to add pronunciations and your student's preferred pronouns by entering them on your team's roster on Speechwire.

FORMAT OF DEBATE DIVISIONS

We will be offering novice and varsity divisions of IPDA Debate and an open division of NPDA debate. (NOTE: A novice debater is a student who has absolutely NO prior debate experience, including high school. Please do not place experienced debaters in the novice division of IPDA.)

AWARDS

1. Awards will be presented to each finalist within their respective divisions.
2. In both IPDA and NPDA, there will be one, two, or three elimination rounds depending on the number of entries: Quarterfinals, Semifinals, and Finals.
3. Sweepstake points are awarded as follows:
POINTS FOR IPDA & NPDA DEBATE:
 - a. 3 points for each preliminary win (regardless of how many teams per division; teams earning less than 2 wins receive no sweepstakes points)
 - b. 3 additional points for reaching Quarterfinal Rounds
 - c. 3 additional points for reaching Semifinal Rounds
 - d. 3 additional points for reaching Final Round
4. In addition, the top individual speakers and top debate schools within the two debate formats will be recognized.
5. We will also have an IPDA Novice breakout final for the top two non-advancing novices if IPDA entries are collapsed into one single, open division.

WARM ROOMS

Our tournament will not have "warm rooms." While we encourage cordial and constructive feedback between judges and debaters, judges should not be obliged to engage in conversation with students. Debaters should not pressure their judges for commentary after rounds. **JUDGES SHOULD NOT DISCLOSE THEIR REASON FOR DECISIONS (RFD) DURING OR AFTER ROUNDS!**

JUDGING

All schools should attempt to properly cover their entries. If you don't feel comfortable judging a particular debate format, please note it on your Speechwire entry so that we can accommodate you. We are fortunate to be placed in a region of many highly qualified judges, educators, and former debaters!

TOURNAMENT FORFEIT RULE

Any debater who is more than 15 minutes late automatically forfeits their round, resulting in a "bye" or automatic win for the opposing debater. Please make every effort to have your debaters appear at their appointed rounds so that our tournament runs smoothly.

ETHICS STANDARDS OF IPDA and NPDA DEBATE

The Big Apple Debate Tournament will adhere to the rules prescribed by the International Public Debate Association and the National Parliamentary Debate Association. Before tournament day, please take time to familiarize yourself and your team with the rules contained within the Constitution and the Bylaws of these two organizations.

DEBATE ROUND PAIRINGS

Rounds 1 and 2 of IPDA and NPDA will be randomly paired. However, Rounds 3 and 4 of IPDA and NPDA will be power-matched. Brackets will not be broken in elimination rounds.

IPDA COMPETITION RULES

Our tournament will follow IPDA rules found within the IPDA Constitution and Bylaws, which were last updated on October 2018. To view the constitution, please visit the website at: <http://www.ipdadebate.info/constitution--bylaws.html>.

According to the IPDA Constitution, “IPDA” or the “International Public Debate Association” is an audience-friendly debate format with great emphasis on persuasion, rhetorical speaking abilities, and inclusivity of interested individuals who are encouraged to debate “regardless of educational background, prior experience, or any other demographics.” The philosophic tenets of the IPDA Constitution are sevenfold, which are *inclusivity, lay judging, limited preparation, extemporaneous delivery, rhetorical delivery, and ethos*.

It is important to note that IPDA Debate differs from other collegiate debate formats since it encourages *lay judging* – judges with limited debate experience and training to ensure fairness within debate rounds. Therefore, handouts of the IPDA debate format will be distributed at check-in to all lay judges who request a copy of the IPDA Debate rules.

The IPDA Debate format is as follows:

- A. Topics will be announced in-round with 5 topics (2 value, 2 policy, 1 metaphor) provided for strikes. Negative strikes first, and then turns are taken until one topic remains to be debated.
- B. **While topic disclosure is encouraged, debaters will not be allowed to consult any other person during prep time - including coaches.**
Per IPDA rules, they will be allowed paper and/or electronic research material, which may be quoted or paraphrased from notes during the round, but not read directly, as extemporaneous delivery is required.
- C. Time limits:

Affirmative Constructive	5 minutes
Cross Examination	2 minutes
Negative Constructive	6 minutes
Cross Examination	2 minutes
First Affirmative Rebuttal	3 minutes
First Negative Rebuttal	5 minutes
Second Affirmative Rebuttal	3 minutes

ADDITIONAL NOTES ON THE IPDA DEBATE FORMAT

- Competitors will receive their topics at their designated competition room 30 MINUTES BEFORE THE ACTUAL ROUND BEGINS. (Example: if the first round

starts at 9:00AM, then competitors MUST be at their designated rooms **no later** than 8:30AM).

- Judges are expected to keep time during the debate round. IPDA competitors will have exactly 30 minutes of preparation time following the first negative strike.
- IPDA strike sheets will contain a variety of topics ranging from domestic, economic, social, international events to NYC-themed issues.

NPDA DEBATE RULES

NPDA is the National Parliamentary Debate Association. Our tournament will follow the NPDA rules last updated in March 2008. NPDA Debate rules can be accessed here: <https://parlidebate.org/npda-rules/>

The NPDA Debate format is as follows:

- A. Topics will be announced 15 minutes prior to the debate, where the Government and Opposition teams will receive their topic in-round.
- B. **Debaters will not be allowed to consult any other person during prep time, including coaches.** Per NPDA rules, they will be allowed paper and/or electronic research material during their prep time, which may be paraphrased from notes during the round, but not read directly, as extemporaneous delivery is required.
- C. The topic of each round will be centered on current affairs or philosophy. The resolutions will be general enough that a well-educated college student can debate them. They may be phrased in literal or metaphorical language.
- D. Time limits:

Prime Minister Constructive	7 minutes
Opposition Flex Time	2 minutes
Opposition Leader Constructive	8 minutes
Government Flex Time	2 minutes
Member of Government Constructive	8 minutes
Opposition Flex Time	1 minute
Member of Opposition Constructive	8 minutes
Opposition Leader Rebuttal	4 minutes
Government Flex Time	1 minute
Prime Minister Rebuttal	5 minutes

TOURNAMENT REGISTRATION

Registration for the tournament will commence online at Speechwire on Thursday, July 21st, and will continue until the entry deadline on **Tuesday, September 19th, 2023, at 5PM EDT**. As stated before, emailed entries will not be accepted. You will have an opportunity to confirm your entries at check-in on Saturday morning at 8:00am EDT at our virtual tournament registration and tab room.

TAB ROOM

The tournament tab room will be at a specified conference chat room on 8x8. Any questions about schematics can be directed to the tab-room staff. However, judges may direct all complaints, grievances, and all serious matters to me. You will find me either at the tab room or at registration.

TOURNAMENT ENTRY FEES

IF YOU ARE MAKING A PAYMENT EITHER BY CREDIT/DEBIT CARD OR BY CHECK, YOU CAN SEND US PAYMENT VIA YOUR PAYPAL INVOICE. DETAILS WILL BE PROVIDED IN THE COMING DAYS NEAR TOURNAMENT DAY.

ALL FEES MUST BE PAID PRIOR TO OR AT REGISTRATION UNLESS PRIOR ARRANGEMENTS HAVE BEEN MADE!

1. The following entry fees shall be assessed:
 - School fee \$25 per school
 - IPDA slot \$25 per debater
 - NPDA slot \$50 per team
2. Fees for uncovered debaters will be assessed as follows:
 - Every uncovered debater = \$40 per IPDA debater
 - Every uncovered team = \$80 per NPDA team
3. Fees will initially be calculated on Tuesday, September 19th at 5PM EDT. Late adds/drops will be as follows:
 - Add/drops on Wednesday, Sept 20th & Thursday, Sept 21st \$20 per change, plus entry fee
 - **NO MORE ADDS ALLOWED ON FRIDAY, SEPTEMBER 22ND !!!!**

- Drops on Friday, Sept 22nd: \$70 per drop, plus entry fee
 - **Drops at registration on Saturday, Sept 23rd: \$100 per drop, plus original entry fee**
 - **ABSOLUTELY NO ADDS ALLOWED ON SATURDAY!!!**
4. **Each judge covers 2 IPDA debaters or 1 NPDA team.** Therefore, teams with excess debaters will be charged “uncovered slots” for every debater that is not covered by a judge. So please make every effort to cover your entry. Schools are responsible for entering their judges as the right judge type when calculating fees.
 5. Judges who fail to pick their ballots will render their students ineligible for elimination rounds.
 6. Lastly, student-run and small teams are the lifeblood of our forensics community. We recognize that many teams are threatened with budget cuts, coaching staff turnover, and diminished resources from their institutions. If this is your first debate tournament and do not have the means to cover your entire entry fee, please reach out to us, and we will be happy to accommodate you. We want you to attend our tournament and have a great debate experience. We only ask that you bring enough judges to adequately cover your entry.

JUDGES (PLEASE READ CAREFULLY!)

To encourage fairness to our competitors – and if you’re a coach – I ask that you bring as many of your judges as possible. We’d much rather have your judges than your money. **For our tournament, a judge who is available for all of the preliminary rounds and one elimination round will cover two IPDA debaters or one NPDA team.** IPDA and NPDA encourage a broad range of lay judges, which includes coaches, forensics alumni, students (ONLY IF THEY AREN’T COMPETITORS), fellow parents, educators, and members of the academic community.

Since the team has a very small budget, we are only able to hire judges on a very limited basis. Nevertheless, if you would like to hire a judge, please contact me at qcspeechteam@gmail.com as soon as possible. We are very fortunate to have a supportive and thriving pool of qualified hired judges within our Northeastern district and NYC metro area.
