

# THE MONUMENT SWING

## Forensics Invitational Tournament February 1st-3rd, 2019

Forensics Colleagues,

Colorado College and Western Nebraska Community College would like to cordially invite you to participate in the 3rd annual Monument Swing Tournament, to be held on the Western Nebraska Community College campus – Scottsbluff, NE. February 1st-3rd, 2019 for one 5/3 IPDA (Fri) Tournament, one 2/1 IE (Sat), and one 3/0 (Sun) tournament.

This tournament promises to feature a weekend full of forensics fun, with opportunities to compete in debate and speech. Additionally, we plan on running the Sunday tournament as 3 unflighted rounds. These 3 ballots will be cumulated for final placings. This schedule still fulfills AFA and NFA qualification, while shortening the schedule to give extra leeway time for the drive home. For more information please feel free to contact us.

## TOURNAMENT NOTES

<b>IPDA</b>	<p><b>No in-round oral critiques.</b> Please inform your coaches, judges, and students that we expect no in-round oral critiques. To ensure the tournament schedule and avoid hosting strife we ask that critiques be given only after the round's ballot has been submitted. If the ballot for the round has not been submitted by the judge before the start time for the next round, the round may incur a double-loss if it is the fault of the competitors in the round, or losses given the competitors affiliated with that judge for that round if it is the fault of the judge. Decisions will be made by the tournament director. There is opportunity for critique in between rounds and throughout the competition day and it is encouraged once ballots have been submitted. Additionally, if competitors are not present for draw, topic announce, or round start time for reasons that are under their control, they may be given a loss for that round.</p> <p>Judges will be responsible for every preliminary round, and schools will be responsible to judge at least one round beyond the elimination of your competitors.</p> <p>A separate novice and varsity division will be used for debate, but may collapse down to one division if necessary. WNCC will be competing in debate but will not be eligible for debate sweepstakes.</p> <p>IPDA will be offered for individual competitors. There will not be a team division at this time.</p> <p>A novice competitor is a student who is in their first two semesters of collegiate competition and has not attended a year-end nationals tournament. The Varsity or Open category is for students who are not novice competitors, but are still within the eligibility guidelines for each activity (and may include novice students based on entry). We will not be offering a "professional" division for non-collegiate students at this time.</p> <p>IPDA will follow the time limits and rules established by the International Public Debate association. Students will have thirty minutes of preparation time (includes walking time to rounds).</p>
<b>IE</b>	<p><u>Saturday's tournament will break to finals, Sunday's tournament will be 3 rounds, no finals-awards will be based on the cumed scores of the 3 ballots.</u></p> <p>Saturday - No competitor may enter more than 3 events per flight pattern (2 Duos=2 events).</p> <p>Sunday - No competitor may enter more than 4 events per round (2 Duos=2 events)</p> <p>I.E.'s will break to semifinals at 40 entries, quarterfinals at 80, and octo-finals at 160.</p> <p>The 11 AFA events should follow the AFA-NIET Event Descriptions which can be found at <a href="http://www.mnsu.edu/cmst/niet/eventdescriptions-new09-10.htm">http://www.mnsu.edu/cmst/niet/eventdescriptions-new09-10.htm</a></p>
