## **AWARDS:**

Certificates will be presented to all elimination round participants in all events (via emailed files). Awards shall be presented to the top five speakers in each debate division. The three top programs and the top community/junior college shall receive awards for Sweepstakes. In addition, we'll be continuing to offer the "Mendoza Cumulative Sweepstakes" award, which will be mailed as a trophy to the winning program.

## **DIVISIONS & POINTS FORMULA:**

The tournament reserves the right to limit entries if necessary. We will host all four divisions (Nov, JV, Var, Pro) of IPDA competition. The top three debaters in each division will count towards Sweepstakes calculations.

All IPDA debate rounds shall follow the 5-2-6-2-3-5-3 time format with 30 minutes preparation time. Divisions offered will be Novice, Junior Varsity, Varsity, and Professional. 7 preliminary rounds and the appropriate number of elimination rounds will be offered. In the event that a partial elim round (ex: "partial double octafinals") is offered, a maximum of one partial round per division will be held (ex: If a division qualifies for oct's with 60 entries and more than 32 have 4-3 records or better, only the top 32 would advance to the "partial" elim round). See IPDA Debate.info for division eligibility requirements (or simply ask us if you need clarification).

Debate points will be awarded according to the following formula:

- 3 points for each preliminary round win
- 3 points for breaking to elimination rounds
- 5 points for 1st speaker
- 4 points for 2nd speaker
- 3 points for 3rd speaker
- 2 points for 4th speaker
- 1 point for 5th speaker

## **TIEBREAKER FORMULA:**

Debate: For determining competitors advancing to elimination rounds in individual debate we will look first to the number of wins, second to high/low adjusted speaker points and third to the number of total speaker points. For determining speaker awards in individual debate, we will look first to high/low adjusted speaker points and second to total speaker points.

## **SCHEDULE:**

Due to the constraints of online competition, we'll be starting at 10:00am to reduce the impact on any West Coast competitors. Additionally, all rounds will be single flighted in order to encourage an on-time schedule.

### **B. IPDA/TIPDA Considerations**

1. Please adhere to all rules expressed in the Bylaws and Constitution of the IPDA.
2. In order to keep the tournament running on time, please remind your competitors that they should activate their timers when draw begins, not after the strike process ends.
3. Please remind your judges that electronic devices are NOT permitted for anyone in a round other than for accessing the Yaatly platform or ballots, including the judge.

### **C. Tournament Ethics Statement**

1. The behavior of all attending the Mendoza Debates at Lee College will be in keeping with the [NCA Policy on Anti-Harassment Code of Conduct](#). We encourage all programs to review these expectations prior to entering this tournament.
2. The Mendoza Debates at Lee College expects that behavior between all participants, coaches, judges, and guests be respectful and appropriate at all times. ## **JUDGES:**

All entries must be covered. One judge during debate rounds covers two (2) IPDA debaters. As is commonplace in IPDA, once eliminated from competition, IPDA competitors may be used to judge IPDA elimination rounds. All judges are obligated to judge for the entirety of the tournament. We will reserve the

power to limit entries to make certain we can provide sufficient judging pools needed to keep clean rounds throughout the tournament.

Your Judges and Competitors MUST provide email addresses (in ForensicsTournament.net) to receive their ballots, and providing cell phone numbers is STRONGLY encouraged.

### **VIRTUAL DEBATE INFORMATION:**

In addition to entering the tournament via ForensicsTournament.net, coaches should create the appropriate team Yaatly accounts several days prior to the tournament.

During the tournament,

- All competitors and judges should be in their competition room 5 minutes before the start of the round and test their audio. If a competitor or judge is not present in the room by the **start** of the round please contact Tournament Director Joe Ganakos through Yaatly chat immediately.
- Coaches should confirm that all team judges have their ballots five minutes prior to the beginning of each round. All ballots will be delivered electronically via the email addresses the team's coach has provided.
- If a competitor's internet drops in the middle of a round, the competitor should try to re-enter the competition room first; if this does not work then please contact Joe Ganakos through Yaatly chat immediately.
- If a competitor drops connection, the competitor will have a maximum of five minutes to reconnect before the round is forfeit. Due to the constraints of a virtual tournament, rounds will not be re-run.
- If a judge drops connection, the competitors should immediately pause their timers and contact Joe Ganakos through Yaatly chat after two minutes have elapsed.
- Competitors and judge webcams must be activated the entire debate round, and they should not change their backgrounds.
- Competitors should mute their video during competitor speeches, only during cross-ex should both microphones be turned on. It is useful to use headphones during the round to help ensure everyone can hear you properly. Judges should also mute their microphones once the round has started.
- Judges should active the in-round timer function appropriate for each debate segment.
- Oral critiques should not be offered by judges after the round, this is important for keeping the rounds on-time
