Dear Colleagues,

The University of Arkansas – Monticello Debate Society proudly invites you to the “Weevil Wars” debate tournament.

This year’s tournament will offer 6 rounds of all four divisions of IPDA over two days. We are set to offer an environment in which argumentation and debate will be the central and sole purpose for the weekend. If you are looking for an opportunity to focus on IPDA then make certain that you join us on October 2nd and 3rd.

All entries must be received by **Tue., September 29, 2020, at 5:00 pm CDT** in **ForensicsTournament.net**. Changes will be accepted until **Wed., September 30, 2020 at 12:00 p.m. CDT** at which point entries will be set. As this is a no charge tournament please only make changes after the deadlines when absolutely necessary. Any changes beyond this deadline must be sent to evans@uamont.edu

With the advent of virtual tournaments, we must ask that ALL entries be covered without exception (1 judge covers 2 debaters). As this is going to be a “free” tournament we will reserve the right to limit entries as needed.

WARNING: All schools must have their judges and competitors in the virtual rooms within 5 minutes of start times. Schools will be given 1 warning, then the offending judges and the competitors they are covering will be removed from the tournament. If the school has another issue with judges the entire entry may be removed. Competitors who are over 5 minutes late will be forfeited.

Tabulation Room will be run by TBA. If you need a copy of the rules of IPDA, just let us know or check out the association website at www.ipdadebate.info

B. IPDA/TIPDA Considerations

1. Please adhere to all rules expressed in the Bylaws and Constitution of the IPDA.
 2. In order to keep the tournament running on time, please remind your competitors that they should activate their timers when draw begins, not after the strike process ends.
- C. Please remind your judges that electronic devices are NOT permitted for anyone in a round other than for accessing the Yaatly platform or ballots, including the judge.

D. Tournament Ethics Statement

1. The behavior of all attending will be in keeping with the [NCA Policy on Anti-Harassment Code of Conduct](#). We encourage all programs to review these expectations prior to entering this tournament.
2. The University of Arkansas at Monticello expects that behavior between all participants, coaches, judges, and guests be respectful and appropriate at all times. If any participant has concerns over propriety or good sportspersonship, they should discuss the matter with their coaching staff. Any coach, judge, or guests should address any concerns with the Tournament Director exclusively.
3. As a condition of entry, all participants, coaches, judges, and guests agree that any decision issued by the Tournament Director is binding and final.

JUDGES:

All entries must be covered. One judge during debate rounds covers two (2) IPDA debaters. As is commonplace in IPDA, once eliminated from competition, IPDA competitors may be used to judge IPDA elimination rounds. All judges are obligated to judge for the entirety of the tournament. We will reserve the power to limit entries to make certain we can provide sufficient judging pools needed to keep clean rounds throughout the tournament.

Your Judges and Competitors MUST provide email addresses (in ForensicsTournament.net) to receive their ballots, and providing cell phone numbers is STRONGLY encouraged.

VIRTUAL DEBATE INFORMATION:

In addition to entering the tournament via ForensicsTournament.net, coaches should create the appropriate team Yaatly accounts several days prior to the tournament.

During the tournament,

- All competitors and judges should be in their competition room 5 minutes before the start of the round and test their audio. If a competitor or judge is not present in the room by the **start** of the round, please contact Tournament Director Jim Evans through Yaatly chat immediately.
- Coaches should confirm that all team judges have their ballots five minutes prior to the beginning of each round. All ballots will be delivered electronically via the email addresses the team's coach has provided.
- If a competitor's internet drops in the middle of a round, the competitor should try to re-enter the competition room first; if this does not work then please contact Jim Evans through Yaatly chat immediately.
- If a competitor drops connection, the competitor will have a maximum of five minutes to reconnect before the round is forfeit. Due to the constraints of a virtual tournament, rounds will not be re-run.
- If a judge drops connection, the competitors should immediately pause their timers and contact Jim Evans through Yaatly chat after two minutes have elapsed.
- Competitors and judge webcams must be activated the entire debate round, and they should not change their backgrounds.
- Competitors should mute their video during competitor speeches, only during cross-ex should both microphones be turned on. It is useful to use headphones during the round to help ensure everyone can hear you properly. Judges should also mute their microphones once the round has started.
- Judges should active the in-round timer function appropriate for each debate segment.
- Oral critiques should not be offered by judges after the round, this is important for keeping the rounds on-time
