

Dear Colleagues,

On behalf of The University of Jamestown, the Department of Communication Arts, and the University Speech and Debate Team, we invite you to the inaugural University of Jamestown “Jimmie Jingle” hosted virtually by The University of Jamestown in Jamestown, ND.

This virtual competition will feature all divisions of IPDA (Novice, JV, Varsity, and Professional). We look forward to seeing our friends and making some new ones, as we launch the UJ Speech and Debate program, with what we hope will become an annual event. Tab will be run by Mike Ingram, Shelia Ritchie, and AJ Edwards, with much appreciation for my colleagues guiding me through this process. It should be a great event to prepare competitors for communication in virtual landscapes post-grad.

This tournament will be a non-flighted tournament, so we do ask that you provide ONE JUDGE FOR EVERY TWO COMPETITORS. This requirement will make sure all your entries are covered by the appropriate number of judges. Please understand that we reserve the right to limit the number of entries from an individual school to allow for fair competition. Schools may have up to two observers that are not judges or competitors. Judges must be able to judge the entire time, though we will do our best to give judges some rounds off. Judges are required to stay in the judging pool throughout the elimination rounds, even if their teams are eliminated.

All entries must be received by Tuesday, November 29th at 5:00 pm CST in ForensicsTournament.net. Registration link: <https://forensicstournament.net/Jimmiejingle/22> Changes will be accepted until Wed., November 30th at 12:00 p.m. CST. For any changes after the deadline, please email Scot at scot.loyd@uj.edu or via text message at 405-432-6114. Our hope is that this will be another excellent chance for colleges and universities in all regions to have an accessible VIRTUAL option for competition in IPDA. Pre-tournament updates will be distributed via the IPDA email list and ForensicsTournament.net. In the pages that follow, you’ll find all the details for the “Jimmie Jingle”. If you have questions, please feel free to contact me at any time.

Cordially,

Scot Loyd

University of Jamestown Speech and Debate

6079 College Lane

Jamestown, ND 58405

Once set up you can register at <https://forensicstournament.net/Jimmiejingle/22>

All entries must be covered. One judge during debate rounds covers two (2) IPDA debaters. As is commonplace in IPDA, once eliminated from competition, IPDA competitors may be used to judge IPDA elim rounds. All judges are obligated to judge for the entirety of the tournament. We may limit the number of entries to provide sufficient judging pools needed to keep clean rounds throughout the tournament. If your team is out of the competition, all judges must remain in the judging pool until the end of the tournament. This helps to provide a diverse judging pool throughout elimination rounds Your Judges and Competitors MUST provide email addresses (in ForensicsTournament.net) to receive their ballots and providing cell phone numbers is STRONGLY encouraged.

VIRTUAL DEBATE INFORMATION: In addition to entering the tournament via ForensicsTournament.net, coaches should create the appropriate team Yaarly accounts several days prior to the tournament. Yaarly must be accessed through a Chrome browser. You will find instructions for this at <http://www.ipdadebate.info/virtual-debate-resources.html>

Before the tournament:

- Familiarize your team with Yaarly: Accessing the platform prior to the start of the tournament will be especially useful to confirm cameras and mics are working well. Use your Team Room for this.
- Familiarize yourself with Yaarly: There will be a "Tab Room" and "Team Lounge"
- Look at the schedule, timing, etc and be familiar with the Event Chat.

During the tournament:

- All competitors and judges should be in their competition room at the starting time. Judges who consistently violate this will be given 1 warning, then the offending judges and the competitors they are covering will be removed from the tournament. If the school has another issue with judges the entire entry will be removed.

- If a competitor or judge is not present in the room by the start of the round, contact the tab room immediately.
- If a competitor is more than 5 minutes late to draw, their opponent will choose the topic and put it in chat in the competition room.
- Coaches should confirm that all team judges have their ballots five minutes prior to the beginning of each round. All ballots will be delivered electronically via the email addresses the coach has provided.
- Competitors should mute their audio during opponent's speeches; only during cross-ex should both microphones be turned on. It is useful to use headphones during the round to help ensure everyone can hear you properly. Judges should also mute their microphones once the round has started.
- Competitors and judge webcams must be on the entire debate round, and they should not change their backgrounds.
- Judges should be in a stable environment. This means seated and watching the round. Not walking, driving, or doing any other things that would be a distraction to the competitors.

TECH ISSUES - If a competitor's internet drops in the middle of a round, the judge should freeze the timer and the competitor should try to re-enter the competition room. If a competitor drops connection, the competitor will have a maximum of five minutes to reconnect before the round is forfeit. Rounds will not be re-run, due to timing. If a competitor disconnects 3 times in a round, the round is forfeit. The judge may assign speaker point on performance to that point. If a judge drops connection, the competitors should immediately pause their timers and contact the Tab Room after two minutes have elapsed.

EVENT INFORMATION: A. General information

1. The tab room will be available to coaches in Yaatly.

B. IPDA Considerations

1. Please adhere to all rules expressed in the Bylaws and Constitution of the IPDA.
2. To keep the tournament running on time, please remind your competitors that they should activate their timers when draw begins, not after the strike process ends.
3. Please remind your judges that electronic devices are NOT permitted for anyone in a round other than for accessing the Yaatly platform or ballots, including the judge.
4. Please remind your judges that oral critiques are not permitted after the round.
5. Standard timers must be used as no electronic timing devices, such as phones are permitted.

C. Tournament Ethics Statement

1. The behavior of all attending the "Jimmie Jingle" will be in keeping with the NCA Policy on Anti-Harassment Code of Conduct. We encourage all programs to review these expectations prior to entering this tournament.

2. The “Jimmie Jingle” expects that behavior between all participants, coaches, judges, and guests be respectful and appropriate at all times. If any participant has concerns over propriety or good sportsmanship, they should discuss the matter with their coaching staff. Any coach, judge, or guests should address any concerns with the Tournament Director exclusively.

3. As a condition of entry, all participants, coaches, judges, and guests agree that any decision issued by the Tournament Director is binding and final.

The three top programs and the top community/junior college shall receive awards for Sweepstakes. In addition, we’ll be offering an award to the school with the highest winning percentage.

DIVISIONS & POINTS FORMULA: The tournament reserves the right to limit entries if necessary. We will host all four divisions (Nov, JV, Var, Pro) of IPDA competition. The top three debaters in each division will

count towards Sweepstakes calculations. No minimum number of entries is required for schools to count toward sweepstakes awards. All IPDA debate rounds shall follow the 5-2-6-2-3-5-3 time format with 30 minutes preparation time. 6 preliminary rounds and the appropriate number of elimination rounds will be offered. If UJ places competitors in the tournament, they will neither be counted toward sweepstakes nor will they be eligible for Speaker Awards. No UJ competitors will be judged by individuals affiliated with UJ.

Debate points will be awarded according to the following formula:

- 3 points for each preliminary round win (6 points for team debate)
- 3 points for breaking to elimination rounds (6 points for team debate)
- 5 points for 1st speaker
- 4 points for 2nd speaker
- 3 points for 3rd speaker
- 2 points for 4th speaker
- 1 point for 5th speaker

TIEBREAKER FORMULA: Debate: For determining competitors advancing to elimination rounds in individual debate we will look first to the number of wins, second to high/low adjusted speaker points and third to the number of total speaker points. For determining speaker awards in individual debate, we will look first to high/low adjusted speaker points and second to total speaker points.
