

2020 UCF Knights Joust

Dear Colleagues:

The University of Central Florida is excited to offer a 2020 virtual tournament. It will be held on September 18th 19th and 20th. This three-day comprehensive tournament will offer three rounds of competition in all speech events as well as a five prelim rounds if competition in IPDA debate. As an early season tournament, the goal is to maximize the experience, especially for novice competitors.

We will recognize all finalists in speech/IE events and all advancing competitors in debate as well as top non-advancing novices in all events. We will also award the top 3 in individual sweepstakes (quadrathlon) and the top 3 schools.

We will be using the 8x8 platform to host our event, and speechwire for registration and tabulation. We hope you can attend. UCF is proud to be a test case for the “not so normal” forensics experience in 2020. The hope is that we can offer a low cost event and draw schools less familiar with the Florida (or southeast in general) circuit.

Sincerely,

Jonathan Conway
