September 6, 2022

Friends,

On behalf of the Lewis & Clark College Pioneers, I cordially invite you and your forensics squad to participate in the 2022 Steve Hunt Classic. We are thrilled to announce that, for the first time in three years, this year's tournament will take place on the picturesque Lewis & Clark campus, **October 7-9, 2022**. It will serve as the first Designated tournament for the Northwest Forensics Conference. It is one of the most comprehensive forensics invitationals in the nation, as we will be hosting four formats of debate as well as individual events.

We have modified our schedule this year in order to attempt to make it more humane, especially for those who compete in both speech and debate. Competition will be held in the following events:

- All eleven AFA-NIET events (3 preliminary rounds)
- NPDA style debate (5 preliminary rounds)
- IPDA style debate (5 preliminary rounds)
- British Parliamentary style debate (5 preliminary rounds)
- NFA-LD style debate (5 preliminary rounds)

We will provide coffee, tea, juice and light fare for breakfast all three days of the tournament; food service will be for lunch/brunch over the weekend.

While I cannot guarantee you beautiful weather, as it is Portland in October, I can guarantee you a great weekend of competition and community. I look forward to hosting you. Please let me know of any questions you might have or if you need any additional information.

REGISTRATION

All events will utilize the [speechwire.com](https://www.speechwire.com) website for registration. Please use these sites as resources not only for entering the tournament but also for making changes to your entry and finding important tournament announcements.

Entry Deadline: Monday, October 3 at 11:00 pm (Pacific). Additional entries will not be accepted after this deadline.

Drop Deadline: Wednesday, October 5 at 1:00 pm (Pacific). After this deadline, fees will be calculated and drops will be charged full entry fees.

Please use the following guidelines to determine appropriate divisions for your students:

Novice - Students in the novice division are in their first full year of collegiate forensics. They have not advanced to elimination rounds more than three times in their respective event.

IMPORTANT NOTE: Coaches should refrain from placing students with significant high school experience in novice divisions. If a student has competed in more than 3 high school tournaments, they should be placed in junior or open.

Junior - Students in junior division are in their first or second year of collegiate competition. They have not advanced to elimination rounds more than three times in their respective event.

Senior - Open to all students meeting national eligibility requirements of their respective event.

Divisions may be collapsed based upon entries; NFC guidelines will determine whether an event is collapsed or not. The tournament director reserves the right to reassign divisions to any student who is improperly placed in a novice or junior division.

COVID-19 PROCEDURES

We strongly encourage all in attendance to be vaccinated and fully boosted. The tournament organizers **may** require the wearing of face masks in indoor spaces while not competing/performing; we will decide whether or not to make this a requirement up to a week prior to the beginning of the tournament. We thank you for respecting these expectations.

INDIVIDUAL EVENTS

AFA-NIET rules will govern the individual events competition. Information and event descriptions can be found at <https://sites.google.com/site/afanietnew2/products-services/event-descriptions>

Students may triple enter within a pattern of individual events. **Students are responsible for making it to every round that they are scheduled for. Students who are triple-entered and fail to make it to a scheduled round will not be allowed to make up the competition.**

We will not hold final rounds in events with fewer than nine (9) competitors.

Conflict patterns:

Pattern A: EXT (N, J, S), PER (N, J, S), DI (N, S), POI (N, S), ADS (N, S), POE (N, S)

Pattern B: IMP (N, J, S), INF (N, J, S), CA (N, S), DUO (N, S), PRO (N, J, S)

DEBATE

NPDA Debate

We will offer three divisions of parliamentary debate: novice, junior and senior. We will use NPDA rules (available at <http://www.parlidebate.org/npda-rules/>.)

No topic areas will be utilized for this year's Steve Hunt Classic. Topics will be centrally announced, and teams will have twenty (25) minutes from the time of the announcement until the time that the PMC must start.

We will follow the NPTE time limits for CX/prep time (http://np.te.debateaddict.com/static/np-te-tournament.htm#_Toc428193265)

We will break all 3-2 or better teams to elimination rounds **with a maximum of 16 breaking entries in each division**, with ties broken on W/L, high/low speaker points, then total speaker points. Brackets **will** be broken in elimination rounds. A number of strikes will be available for teams to submit on Wednesday, October 9; they will be due by 5:00 PM Friday, October 11 in order to be considered for the first two preliminary rounds.

IPDA Debate

We will offer IPDA debate in three divisions, novice, junior and senior. IPDA debate will use rules as presented in the IPDA constitution, which can be found at <http://www.ipdadebate.info/constitution-bylaws.html>. We will use the 5-2-6-2-3-5-3 format with thirty (30) minutes of preparation time. Debaters will be presented with five resolutions; each debater will be allowed to strike two resolutions, thus leaving one resolution to be debated.

We will break all 3-2 or better debaters to elimination rounds **with a maximum of 16 breaking entries in each division**, with ties broken on W/L, high/low speaker points, then total speaker points. Brackets **will** be broken in elimination rounds.

Please note that due to room availability, we will likely need to flight IPDA debate.

BP Debate

We will offer two divisions of British Parliamentary debate. The BP division will utilize WUDC guidelines, which can be found at <http://flynn.debating.net/Sydrules.htm> with a 7-7-7-7-7-7-7 format and twenty (20) minutes of preparation. The topics will be centrally announced. Each team will have an opportunity to debate in each of the positions, and may debate teams from their own school.

We will utilize two judges in each round. We encourage consensus judging, but given our schedule, we must insist that decisions be made in a timely fashion. If a decision has not been reached after fifteen (15) minutes after the conclusion of the debate, the chair's ballot will be considered binding.

Elimination rounds will be determined by entries.

NFA-LD Debate

We will offer one division of NFA-LD debate. The LD division will utilize the 6-3-7-3-6-6-3 time limits per the National Forensics Association, and will utilize NFA rules, which can be found at <https://sites.google.com/site/nationalforensicsassociation/about-nfa/governing-documents>. We will break all 3-2 or better debaters to elimination rounds **with a maximum of 16 breaking entries in each division**, with ties broken on W/L, high/low speaker points, then total speaker points. Brackets **will** be broken in elimination rounds. Depending on room availability, we may need to flight LD debate.

The 2022-23 LD resolution is: Resolved: The United States federal government should substantially increase restrictions on political campaigns for public office in one or more of the following areas: political communication, campaign spending, interest groups.

SWEEPSTAKES

Sweepstakes awards will be given according to the following formula:

| Event | 1st Place | 2nd Place | 3rd/SF | 4th/QF | Finalist/OF |
|-------|-----------|-----------|--------|--------|-------------|
| BP: | 15pts | 12pts | 9pts | 7pts | 6pts |
| NPDA: | 15pts | 12pts | 9pts | 7pts | 6pts |
| IPDA: | 10pts | 8pts | 6pts | 4pts | 2pts |
| IE's: | 10pts | 8pts | 6pts | 4pts | 2pts |
| LD: | 10pts | 8pts | 6pts | 4pts | 2pts |

JUDGING AND FEES

Please note the following judge coverage requirements when calculating fees:

1 judge covers ten (8) total individual events entries, regardless of pattern

1 judge covers two (2) NPDA/BP/Policy entries or a fraction thereof

1 judge covers three (3) IPDA entries

1 judge covers three (3) LD entries

All debate judges are committed until the first **FULL** elimination round in each division and one round past elimination of their teams. All individual events judges are committed throughout the tournament. Teams that require more than 2 hired judges should alert the tournament director by October 1; entries of that size without covered judging are subject to reduction should sufficient judges not be able to be hired.

LODGING

Due to the fact that fewer teams have utilized our room block in previous years, we are unable to secure the reduced rate at the Crowne Plaza as we have traditionally done. A list of hotels near campus is available at https://www.lclark.edu/visit/places_to_stay/.

MAPS AND DIRECTIONS

Directions to campus and the campus map are available at <http://www.lclark.edu/visit/directions/maps/>. Parking should be fairly easy to find as it is Lewis & Clark's fall break. Specific destinations for competition will be released as the tournament comes nearer.
