TOURNAMENT RULES

- 1) AFA, NPDA, NFA, and IPDA regulations will govern their respective events, unless specified elsewhere within this invitation.
- 2) Competitor Eligibility. The rules of AFA, NPDA, and IPDA will guide competitor and judge eligibility. Competitors in IE's, LD, and NPDA must be students at a 2-year or 4-year college or university who have not participated in more than eight semesters of intercollegiate forensics competition.
- 3) Entry/Facility Limitations. Though we do not anticipate having to limit entries and will make every effort to accommodate all who wish to participate, OU reserves the right to limit entries if our campus capacity is exceeded. We will use the following priority to entries (if needed): first, entries received after the entry deadline; second, entries without sufficient judges (uncovered); and finally, time the entry is received – the earliest entries will take precedence.
- 4) OU Student Participation. Students from OU will participate in the tournaments, but will not be eligible for team sweepstakes awards.

ENTRY PROCEDURE

All entries should be made at forensicstournament.net. Preliminary entry is due by 9 pm on Monday October 30. Fees will be assessed and final entry is due on Wednesday November 1 at 12 pm.

INDIVIDUAL EVENTS

- 1) Students may not enter more than THREE events per pattern. Students assume all responsibility of making it to their rounds.
- 2) Students may access electronic devices and the internet during Extemp prep. However, their speech must be their own original work and they may not consult with anyone inside or outside the prep room.

TEAM IPDA DEBATE

- 1) We will offer one division of Team IPDA Debate
- 2) The IPDA constitution will guide all facets of IPDA competition at the tournament. It is available at <http://www.ipdadebate.info/constitution--bylaws.html>

NPDA and NFA-LD DEBATE

- 1) We will open and junior divisions of Parliamentary Debate and an open division of NFA LD. Competitors are eligible for junior if they have not completed more than 2 years in either high school or college debate combined.
- 2) Disclosure - Judges may not disclose their decision until the ballot has been turned in at the ballot table. Delays attributed to coach/judges may result in penalties to that school's teams including automatic losses or removal from the tournament.
- 3) Preliminary Rounds – Rounds One and Two will be randomly matched. After round 3, rounds will be power-matched high-low within brackets based upon the results of all previous rounds (or lag powered if necessary).
- 4) Elimination Rounds - Advancement to and seeding in elimination rounds will be first based upon record, followed by adjusted speaker points, then total speaker points, next by opposition record, and finally by Z-Score.

IPDA DEBATE

- 1) We will offer novice, junior, varsity, and professional divisions of IPDA.
- 2) The IPDA constitution will guide all facets of IPDA competition at the tournament. It is available at <http://www.ipdadebate.info/constitution--bylaws.html>
